

CAMP FOCAL POINT

# Camp Focal Point 2024

June 17-23

- **A one week in person summer intensive film camp for youth ages 14-18 and one week post production/editing zoom meetings**
- Hands-on training in filmmaking with local professionals as mentors, including directing, cinematography, sound design, set decoration, and more
- **An introduction to all job opportunities in the film industry by key department heads and experienced crew**
- The basics of filmmaking from pre-production, production to post-production
- **Film screenings and Q&A sessions with the producer, writer or director of the film**
- Character development and team building activities
- **Resume building and job interview skills**
- Opportunities for creative expression through storytelling, screenwriting, acting, art, and photography
- **PA bootcamp**
- Acting lessons provided by an experienced acting coach
- **Two-day shoot on a short film that has been created and produced by campers and mentors**
- Editing experience with local filmmakers
- **A red carpet premiere where the short film will be showcased to family and friends**
- An opportunity to collaborate as part of a team and create a piece of work that can inspire others
- **Don't Lose Focus!**
